Senior History

Our freshman year found us with seventeen members in our class. Iva Mae Forssberg, Nonie Grieb, Irene Carlin, Dianne Schurz, Dorothy Brasted, Bonnie Trisler, Helen Snyder, Boyd Limes, Darrell Luthi, Wanda Withington, Eugene Forssberg, Ralph Lynch, Donald Schneider, Raymond Richardson, Don Gregory, Don Ady, and Charles Ady. We received the usual title of green freshmen and were initiated by the upper-classmen at the first football game. For costumes we dressed as babies with some very amusing results. Our class officers for the year were president, Ralph Lynch; secretary and treasurer, Iva Forssberg; student Council representative, Eugene Forssberg. Our class sponsor was Mr. Rolfs.

In the fall of '52 we took one more step of our school days. We began our sophmore vear with a total enrollment of fifteen. We lost Don Gregory, Don Ady and Charles Ady from our class. Joe Bach joined us for the year. We were asked to serve the junior-senior banquet. For the occasion the girls wore pastel colored skirts and white blouses. The boys wore white shirts and dark trousers. Our officers were president, Darrell Luthi; vice-president, Boyd Limes; secretary and treasurer, Dianne Schurz; student council representative, Darrell Luthi. Our sponsor was Mr. Bullock.

At long last we were finally upper classmen. We lost Joe Bach from the class leaving a total of fourteen in class at the beginning of the junior year. During the year we presented two plays, "Delightfully Young" and "Star Crazy." The high-light of the year was the junior-senior banquet. We chose for our theme "Heavenly Hawii." We also received our class rings in the fall. Our class officers for the year were president, Boyd Limes; secretary and treasurer, Dianne Schurz; student council representative, Darrell Luthi. Our class sponsor for that year was Mr. Bullock.

Finally we reached our goal. We became seniors. We lost Nonie Grieb during our junior year leaving us with thirteen members. We gained Junior Dawe at the beginning of the year making seven boys and seven girls in the class. We presented the play "The Nightmare" directed by Mr. Dugas. Our class officers were president, Boyd Limes; Iva Forssberg, treasurer;vice-president, Irene Carlin; secretary, Dianne Schurz; student council representative, Darrell Luthi. Our sponsor for the year was Mr. Jilka with Miss Webber assistant sponsor. We are now looking forward to the junior-senior banquet, graduation and senior trip.

Class Prophecy

The following report of the activities of the class of'55 has been compiled upon request of Boyd Limes, the class president of '55, for reading today at the class reunion:

Eugene Forssberg, the nation's most brilliant scientist, has just been presented the Oscar Award in Science for his discovery of "Hair Stand," a substance that will make your hair stand on end. It is the most exciting contribution since the mystery stories.

Boyd Limes is making headlines in Hollywood with his great acting and singing talents. His latest appearance was in "The Atomic Crooner" where he played the part of Ko-Ko, the Chain Re-actor.

Darrell Luthi has become the president of the Tornado Motor Company, with main plants in Speed and Edmond. With 13 new models each year he keeps roaming around the country looking for that elusive girl of his dreams.

Ralph Lynch has become the most famous senator since Mr. McCarthy. Senator Lynch is on the committee which is investigating all investigators.

Dianne Schurz is the famous singing airline hostess. It is reported that passengers are very anxious to get on her plane since they get "Two for the Money"--a ride and a song.

Donald Schneider is a prosperous farmer near the Logan community. He is still building model gas-engine airplanes. However, his hobby keeps getting him into trouble. His motor-controlled "Flying Saucer" has frightened several people in the neighborhood, including three of his marriage prospects.

Helen Snyder is the famous cartoonist who draws for the Collier's magazine. She is making millions with her cartoons entitled"Trojan Hi-Lights, 1955 Style." These are recaps of Logan High School Happenings.

Raymond Richardson is a taxi driver in New York City.He got his start taxiing the girls around in high school. His only complaint is that he's not allowed to carry as many passengers as he did then.

Bonnie Trisler has completely furnished her ten-room house from plans made in her Home Ec. III Class. The home is complete with a millionaire husband.

In this year of 1965 Wanda Withington was voted the Most Talkative Woman of the Year. She is also private secretary to Senator Lynch.

Dorothy Brasted has become a professional baby-sitter in Hollywood, where she sits with the spoiled children of movie stars.

Junior Dawe has recently been appointed superintendent of the Logan School system. The "Are Teachers Necessary" Commitee headed by Senator Lynch reports that they have him under investigation for changing the shade of pink on hall permits.

Irene Carlin is co-owner of the most prosperous farm south of Densmore. She had a head start, being the first to marry from the class of 1955. Her third set of twins started school this year.

Iva Mae Forssberg has picked up the torch dropped by Florence Nightingale and recently been selected as "Nurses' Nurse" of the year.

The preceding report has been compiled and submitted by the class secretary of '55.

Class Will

We, the Senior Class of 1955, of Logan High School, of the City of Logan, County of Phillips, and the State of Kansas, being of a sound mind and memory do hereby make, publish, and declare this to be our last will and testament, revoking any will or wills heretofore made by us.

I, Darrell Luthi, will my ability to get along with Mr. Beck to Roger Schultz and my bull horn to Miss Babcock.

I, Boyd Limes, will my ability to keep one girl all during high school to Roy Slansky and my tenor position in quartet to Raymond Baker.

I, Raymond Richardson, will my height to Darrell Becker and my straight A's to Vesta Forssberg.

I, Dorothy Brasted, will my singing ability to Nancy Atkinson and my cheerful grin to Janet Hardman.

I, Helen Snyder, will my ability to get along with Miss Webber to Dalbert Bruning and my art ability to Phil McCollum.

I, Bonnie Trisler, will my steady job in the concession stand to Darrell Stanton and my ability to ride a horse like Dale Evans to Kathleen Purtell.

I, Eugene Forssberg, will my chair in the cornet section of the band to Mark Winters and my wild and wooly ways to Norman Merklin.

I, Ralph Lynch, will my sunny disposition to Edwin Stark and my ability to argue to Richard Hofaker.

I, Wanda Withington, will my quiet manners to Carol Fox and my ability to pick up out-of-town boy friends to Ludene Damewood.

I, Floyd Dawe, will my job in the lunch room and my hearty laugh to Phil McCollum.

I, Irene Carlin, will my engagement ring to Karen Russ and my ability to get things done to Roy Slansky.

I, Dianne Schurz, will my ability to date practically every boy in school to the Jakubowski twins (there's enough for both) and my ability to get involve in all school activities to Phyllis Post.

I, Iva Forssberg, will my ability to roam the halls without a pink slip to Darrell Stanton and my ability to stay away from home for a week to Sandra Legg.

I, Don Schneider, will my ability to act like a freshman all four years of high school to Orin Crow and my place in the Clarinet quartet to Gary Ware.

We, the Senior Class in its enterity, will our privileges (both official and otherwise) to the juniors, our ability to get along with the teachers to the sophomores (may it not get them in trouble), and our ability to get along as a class to the freshman class (may it get you further than it did us), and our size to the incoming freshman class.

In witness whereof, we the class of 1955, the testator, have set our hand and seal hereto the twelfth day of May in the year of our Lord one thousand nine hundred and fifty-five.

Cooperation Also Pays On The Telephone Party Line—

If one neighbor uses the line sharingly, the others have a better chance to use it. If another neighbor always hangs up the receiver carefully after calling, others can make or receive more calls. All of these little courtesies add up to better party line telephone service for everyone.
